Mr. Thompson’s class had fun choosing and voting which of Degas’ ballerinas they would want to paint and Ms. Gerald’s class chose a more impressionistic style of painting of Monet’s Japanese Bridge.

All students continue to work on their art for the school hallways! All of the work is fabulous!

**Please stop by the ART FAIR the week of May 22nd so you and your guests can see the children’s hard work and art pieces from the entire school year!**
