

ACE TODDLERS

APRIL REVIEW

April flew by very quickly! We learned about some community workers such as police officers and grocery store clerks. We also learned about different types of vehicles and the roads they travel on.

We celebrated Easter by learning about Jesus' death and resurrection. We are thankful he offers eternal life to anyone who puts their trust in him.

MAY GOALS

This month we will learn about:

- Ladybugs, Bees, Spiders
- Caterpillars and butterflies
- The life cycle of a plant
- Vegetables and fruit

UPCOMING EVENTS

COLOR

We will learn about the color **purple**.

SHAPES & OPPOSITES

We will review all of the shapes and introduce the set of opposites:

- in/out

MUSIC

Did you know...

Music builds imagination and intellectual curiosity: Introducing music in the early childhood years can help foster a positive attitude toward learning and curiosity. Artistic education develops the whole brain and develops a child's imagination.

This last month of school, students will work on refining their musical skills they have learned this year to perform their Spring Program.

The Toddler class program will be Wednesday, June 7, 2017. Mark your calendars!

Please remember, the Spring Program is a mandatory part of your student's grade counting as a test grade. If your student cannot make it to the program for any reason, please let Mrs. Becker know as soon as possible.

mrsbecker@myschoolace.com

Thank you for sharing your students with me this year! It has been a privilege to teach and explore music with them. Have a fun and blessed summer!

ART

"I feel there is nothing more artistic than loving people." ~ Van Gogh

This month the children will continue to learn more about Auguste Rodin and his sculpture.

The children enjoyed watching an animated artwork of Miro.

All students continue to work on their art for the school hallways! All of the work is fabulous!

Please stop by the ART FAIR the week of May 22nd so you and your guests can see the children's hard work and art pieces from the entire school year!

BIBLE

We will review the stories of:

- Baby Moses
- Hannah Prays for a Son
- Samuel Listens to God
- David the Shepherd
- David and Goliath
- King David is Kind
- Elijah and Mount Carmel
- Naaman and the Servant Girl
- Lions Cannot Hurt Daniel
- Queen Esther
- Jonah
- Jesus is Born
- Jesus Boyhood
- First Miracle
- Woman at the Well
- Nobleman's Son

We will learn the Bible verse:

- Exodus 20:12, "Honour thy father and thy mother"
- Psalm 145:9, "The Lord is good to all."

NUMBERS & LETTERS

We will be covering the letters:

- Bb
- Ff
- Gg
- Vv

We will learn about the number 10.

TECHNOLOGY

This May in Technology Classes, Toddlers will be putting together all of the concepts they have been learning throughout the year. They will continue to use iPads, Beebots, and the Osmo activities to problem solve and work on fine motor skills.

Toddlers loved the 3D dinosaurs! To see the dinosaurs or some of the other 3D games you will need:

- An iPod touch or iPhone
- Google Cardboard Glasses
- Download the Google Cardboard Glasses app
